Press Pow Wow

Editors and newspaper representatives from 75 newspapers held their Florida Press Association spring meeting at University of Florida, Gainesville May 1-3. Herald representatives have returned from that meeting with a general stimulation of the mind after hearing so many authoritative suggestions on the same old, better newspapers.

These meetings, aside from the general exchange of newspaper information on practices, policies and ethics, appear to provide a system of checks and balances for the editor who may be moving too far out on the limb or withdrawing too much within a shell of habits.

The meetings provided abundant proof that there are still plenty of new, bright ideas to be used, that there is plenty of room for improvement in any publication; and that newspapermen are still devoted to the task of developing an informed public through better use of the printed word.

We strive to be numbered among those who, little by little, move forward each issue toward providing all of the basic needs of a community newspaper as well as extend many of the extras which add spice and variety to a publication.

In dedicating ourselves to better serving the community, we also want to express our appreciation to our readers for their excellent cooperation in making ours a growing weekly.

Uncle Dan From Democrat River Says

Dear Mister Editor:

I see by the papers where this columnist, after making a tour of the country, says taxpayers think they're paying too much taxes. After a life time of study in the tax situation and dodging all of 'em I could, I can tell this fellow all about taxes and save him another tour of the country.

Taxes always dips a little in a election year, but the dip is a optical illusion, like that thin coat of gravel they throw on a country road the week before the precinct elections. They dip but still at the same time continue the same steady climb.

For instance, in 1960 taxes will be reduced in ever speed from precinct to President, but I ain't never saw a officer holder yet that couldn't figger out a crisis three months after the election that changed the whole picture he give the voters in the campaign.

If there ever was anything useless in this world, it's a tour around the country to survey the tax situation amongst the constituents. When I hear some fellow talking about reducing taxes, I git as deaf as the old man leading in family prayer while he was kneeling on the cat's tail. How is taxes going to git reduced with three out of ever four in the country either working for the Government, getting a Government

Rams Win Friday In Season Finale

Belle Glade High School put a bright note into their final baseball game of the season when they downed Stuart's Tigers 10-3 last Friday. Ron Hudspeth pitched the distance and scattered seven hits in claiming the victory.

Stuart used three pitchers in their futile attempt to halt the Rams scoring barrage. Catcher Ken Martin batted in two of the three runs in the first inning with a double. James Martin added a couple as a homer in the sixth. Hudspeth helped his own cause with a triple which scored one run.

The Rams play the winner of the Pompano-Seacrest baseball game Friday afternoon in conference tournament play.

The Rams final season record is 3-9 and 0-8 in the conference. They beat Okechobee twice then added the Stuart game for their only victories.

Four Safety Patrol Boys Return From Annual Trip

Four Safety Patrol boys from Belle Glade Elementary returned Tuesday from a weekend trip to Washington, D. C. where they gathered with similar representatives from all over the nation at their annual meeting.

Capt. Tony Berryhill, eighth grader, Lt. Mike Zump, seventh grade, Daryl Parrish and Syd Smith, both sixth graders, were selected for the trip. They were the basis of their safety patrol work for the past year, according to Hugh Rudder, faculty advisor.

They left Friday for the American Automobile Association-sponsored event chartered by Charles Gordin, South Bay School principal and district chairman of the annual event.

The four will report to their fellow patrolmen about their trip, Rudder said.

Sophomore Spelling Bee

The Belle Glade High School sophomores will be represented by Ronnie Gackler and Brenda Allison at the Palm Beach County Sophomores Spelling Bee to be held at Palm Beach on May 18.

Both Brenda and Ronnie are accomplished spellers and they won the right to compete against the cream of the county by defeating the best in the local sophomore class in a written and oral spell-down.

Track Meet At Dillard Although Lake Shore High's trackmen came out on the little end of the horn, they picked up valuable experience for their first year of track at the Dillard of Ft. Lauderdale meet last week. Coach Willie Singleton said Dillard won with 101 3/4 Northwestern of Miami was second with 69 1/2. Carver of Miami was third with 69 1/2. Carver of Delray was fourth with 19 and Lake Shore got four points. Lake Shore placed fourth in the 440 and 880 relays to score. Next Saturday they'll return to Dillard for regional competition which leads to state competition at Tallahassee May 16. Making the trip last week were Larry George, Alfred Eggleston, George Golden and Lonzo Allen.

Migrants Reminded About Labor Laws Clem J. Denicke, wage-hour supervisor here, issued a warning to migrant families about to head north for the annual vegetable and fruit harvest. "As Florida has thousands of people involved in this tremendous farm-labor operation," he said, "it is important that parents and crew leaders understand federal child-labor laws which will apply to them in every state. Many migrant workers take along the whole family, and often there are one or more children under 16 years of age. If this is done, Denicke said, the crew leader as well as the parents should take time to understand what is required of them by federal statute. "In every state employment of children in agriculture under 16 is prohibited while school for the district is in session." The rule applies in every state because it is based upon a Federal law, he said, and pointed out that willful violations of the law by hiring underage children during school hours could be subject to as much as \$10,000 fine. "During the early part of the northward journey which takes the migrants from Georgia to Connecticut, there will be schools

Bobcats Win One After Delay Loss

Lake Shore High's Bobcats snapped back on the winning trail in baseball Monday by defeating Ft. Pierce 2-1 after Carver of Delray stopped the Bobcats 6-2 last Thursday. Coach Ben McCoy reports. The Bobcats' pitching loss and gave up six hits over the distance. Sears batted in the only Lake Shore runs in the fifth with a big double. He allowed five unearned runs in the Delray half of the third inning. Eddie Coleman's triple in the fifth set up one run. He scored later on a Ft. Pierce error.

Band Recognized At State Festival

Lake Shore High School's band received recognition during the 13th annual State Band Festival at Howard W. Blake High School in Tampa, according to Principal Charles McCurdy, speaking for Mrs. Effie Greer's music department. Ratings given were good for concert performance, excellent for sight reading, superior for inspection and excellent for marching as well as recognition for four majorettes. Florida Belle Banks, Blanche and Thelma Colbert received excellent while Wylenne Green got good for twirling competition.

Science Fair Is Held

Considerable interest was displayed by students, faculty members and parents at Lake Shore Elementary School's science fair held April 27, according to Principal E. H. Fitzgerald. Displays were submitted by all grades one through six, he said. Material for the fair was the result of classroom work.

Cards Make It 6-0 Now

The Belle Glade Cardinals baseball team beat the Delray Tigers 9-5 last Sunday to boost their season total to 6-0. Alphonzo Walker, although he was a little loose with his hurling, got credit for the win. Jerry O'Bryan and Clarence Ridley were three-for-three for the day. Walker went two-for-three and drove in two runs. The Cards play the West Palm Beach Jets this Sunday.

Episcopal Church Building New Unit

While the Episcopal vicarage is nearing completion, construction has begun on a new unit in the plan of buildings for the Episcopal Church here. The new building under construction is the third unit in a proposed four unit plan. The building will house the Sunday School, and will include three classrooms, lavatory facilities, and storage room. Only a portion of the proposed Sunday School unit is being built at this time, but an addition is expected to be made as the Sunday School enrollment increases. Completion of the building is expected before the Sunday School reopens in September.

Mother's Day At Methodist Church

The Community Methodist Church extends a cordial invitation to all mothers of the community and will honor them by presenting a framed picture of Salimian's "Head of Christ" to each of three mothers present: the youngest one, the oldest one and the one having the most children with her in the service of the church nursery. In the first two cases the children do not have to be present for a mother to receive the picture. The pictures will be given at the eleven o'clock service.

In the morning service also the pastor, Rev. John B. Gill, Jr., will preach on "The Back-home of the Christian Home." The appropriate music will be used and there will be an infant baptismal service. Sunday School for all ages will precede the morning worship service and will start at 9:45 a. m. The evening service at 7:30 will start with the showing of a filmstrip on the Christian family and a period of gospel singing. Following this the Holy Communion will be served and families are urged to receive the Holy Communion together.

Sermon Prepares For Feast Of Pentecost

In view of the approach of the Feast of Pentecost, May 17, the subject of the sermon Sunday May 10 at St. Peter's Lutheran Church will be "Preparing for the gift of the Holy Spirit." The Sacrament of the Holy Communion will be administered. The preacher will be the vicar, the Rev. August Koerber.

The Ladies Aid has arranged for a congregational covered dish luncheon to be held immediately following the service of divine worship on Sunday, May 10, at the Belle Glade Public Park.

The Vicar, the Rev. August Koerber, will be in Penney Farms from May 11th to May 15th.

BIBLE

... THOUGHT

DO YOUR OWN BUSINESS

By Geo. E. Petty

"And that ye study to be quiet and to do your own business, and to work with your own hands, as we commanded you." 1 Thess. 4:11.

There are three important thoughts expressed in this text to which we would do well to take heed. The first one is "That ye study to be quiet." How great is this need in this busy, complex world in which we live. "In quietness and in confidence shall be your strength." (Isaiah 30:15).

It was Whittier who said: "Drop Thy still dew of quietness, Till all our strivings cease; Take from our souls the strain and stress, And let our ordered lives confess The beauty of Thy peace."

The second thought is "do your own business." There is an old saying, "Everybody's business is nobody's business." If everyone would spend his time in taking care of his business instead of his neighbors I am sure this world would be a more peaceful place in which to live.

The third point is, "work with your own hands." With all of man's inventions, as marvelous as they may be there is still no substitute for work. In our study of history we may begin with Adam and end with our present generation, but we cannot find a truly great man who has not been a hard worker.

Our Savior set us a good example in that the first thirty years of His life were spent in the carpenter shop.

Ladies Bible Class Enjoy Social Evening

The Ladies Bible Class of the Everglades Presbyterian Church enjoyed an evening of fun and fellowship last Thursday night at the manse of the church.

Mrs. Richard Murray, Mrs. Urban Felsing and Mrs. J. Leighton Scott were hostesses.

Games and contests were planned by the hostesses and they served a delicious salad course, coffee and cake.

Present were Mrs. C. D. McClure, Mrs. G. W. Crews, Mrs. L. Price, Mrs. J. W. Wicker, Mrs. H. J. Harris, Mrs. W. H. Hayes, Mrs. W. K. Whitlock, Mrs. Edward Moseley, Mrs. Clara Stinson, Mrs. C. E. Haines and Mrs. Tommy Parker.

They that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary; and they shall walk and not faint. (Isaiah 40:31).

To wait upon God is to seek, through prayer and righteous living, to be one with Him in all things at all times all our days in the sure knowledge that without His love within us we can achieve little that is truly good and lasting.

Church of Christ Scientist

Scientific understanding of the man of God's creating brings true health and security. This is a theme to be set forth at Christian Science services Sunday in the Lesson-Sermon entitled "Adam and Fallen Man."

Scriptural selections will include the account in John (9:1-7) of the healing by Christ Jesus of the "man which was blind from his birth."

Correlative passages read "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (476:32-33): "Jesus beheld in Science the perfect man, who appeared to him where sinning mortal man appears to mortals. In this perfect man the Saviour saw God's own likeness, and this correct view of man healed the sick. Thus Jesus taught that the kingdom of God is intact, universal, and that man is pure and holy."

St. John The Apostle Host To E. Y. C.

The Church of St. John the Apostle was host to thirty-eight young people, on Sunday, May 3rd, at the spring meeting of the Episcopal Young Churchmen of the Palm Beach Diocese. The program opened at four o'clock with the Order of Evening Prayer; the vicar, the Reverend Robert N. Huffman, officiated. The Lessons were read by the Reverend Elmer L. Allen, vicar of God Shepherd Mission, Jupiter, and the sermon was preached by the Reverend Edward H. Manning, rector of St. George's Church, Riviera Beach, and Dean of the Palm Beach Diocese.

The Executive Board Meeting followed, attended by the presidents of the E. Y. C. groups.

A native of Pickett, Caddo Parish, Louisiana, John's education was interrupted during WWII when he served on the USS Florida as First Gunner, completing his engineering studies in Arkansas. Pickett came to Palm Beach County and to the Glades during the early twenties in his professional work. For more than 30 years he lived at Pahokee.

Pickett's WWII service was recognized and complimented by the Armed Forces with a Legion of Merit and Bronze Star award.

Always enthusiastic about the Glades, John Pickett was ever available for community endeavors in the civic, social and religious life of his chosen home. He was a member of the Elks, American Legion and the Presbyterian Church.

Professional associations of American Society of Engineers and the Florida Society of Agricultural Engineers found Member John Pickett a source of refreshing and informative ideas of interest on the unusual control problems and solutions of the Glades.

John Pickett wore the mantle of husband, father, citizen and professional man evenly at home and in foreign lands. He leaves his wife, Edna Bell Pickett; one daughter, Elizabeth
